

Leadership Program

Think you have what it takes to rise to the top?
Get involved with Fitchburg State's free leadership program!

Workshops and Weekend Retreats

Available for three levels:

EMERGE

Students are given the chance to enhance their self and emerge as a student leader. This level of the program covers the basics of leadership.

DEVELOP

Students are taught skills that allow them to coach interactively, mentor and negotiate with others. Students take the skills learned through Emerge and truly begin to understand others.

ADVANCE

Through this final program level, students become leaders who will create positive change within the campus community and beyond by becoming active citizens. Students enhance their delegation, motivation, empowerment, and accountability skills.

NATIONAL SOCIETY OF LEADERSHIP AND SUCCESS

You may also join the University chapter where you participate in:

- » Leadership trainings
- » Hosted live-web speakers
- » Chapter socials and volunteer projects
- » Success networking team meetings
- » And more!

Students who wish to become fully inducted members of the Society must fulfill the required amount of Society offerings as well as complete the Fitchburg State Emerge program series. Once inducted students will be eligible for Society scholarships, will have access to a nationwide job bank, and many more benefits of being in a nationally-based leadership society.
